Good on you LCA!

Go on LCA, get out there!

A close-up, detailed view of a lush floral arrangement. The bouquet is composed of several large, multi-petaled roses in shades of white and light peach. Interspersed among the roses are numerous small, delicate purple flowers, some with a star-like shape and others in dense clusters. Red berries, likely from a holly or similar plant, are scattered throughout the arrangement, adding a pop of color. Green foliage, including eucalyptus leaves and other leafy stems, provides a natural backdrop for the flowers. The overall composition is dense and textured, with a variety of colors and shapes creating a visually rich scene.

A warm, dimly lit restaurant interior with people seated at tables. In the foreground, a person's hand holds a flute glass of champagne, clinking it with another glass held by a man in a white shirt and dark vest. The background is filled with other diners and soft, bokeh-style lights from the ceiling. The text "Good on you LCA!" is superimposed in the upper right.
